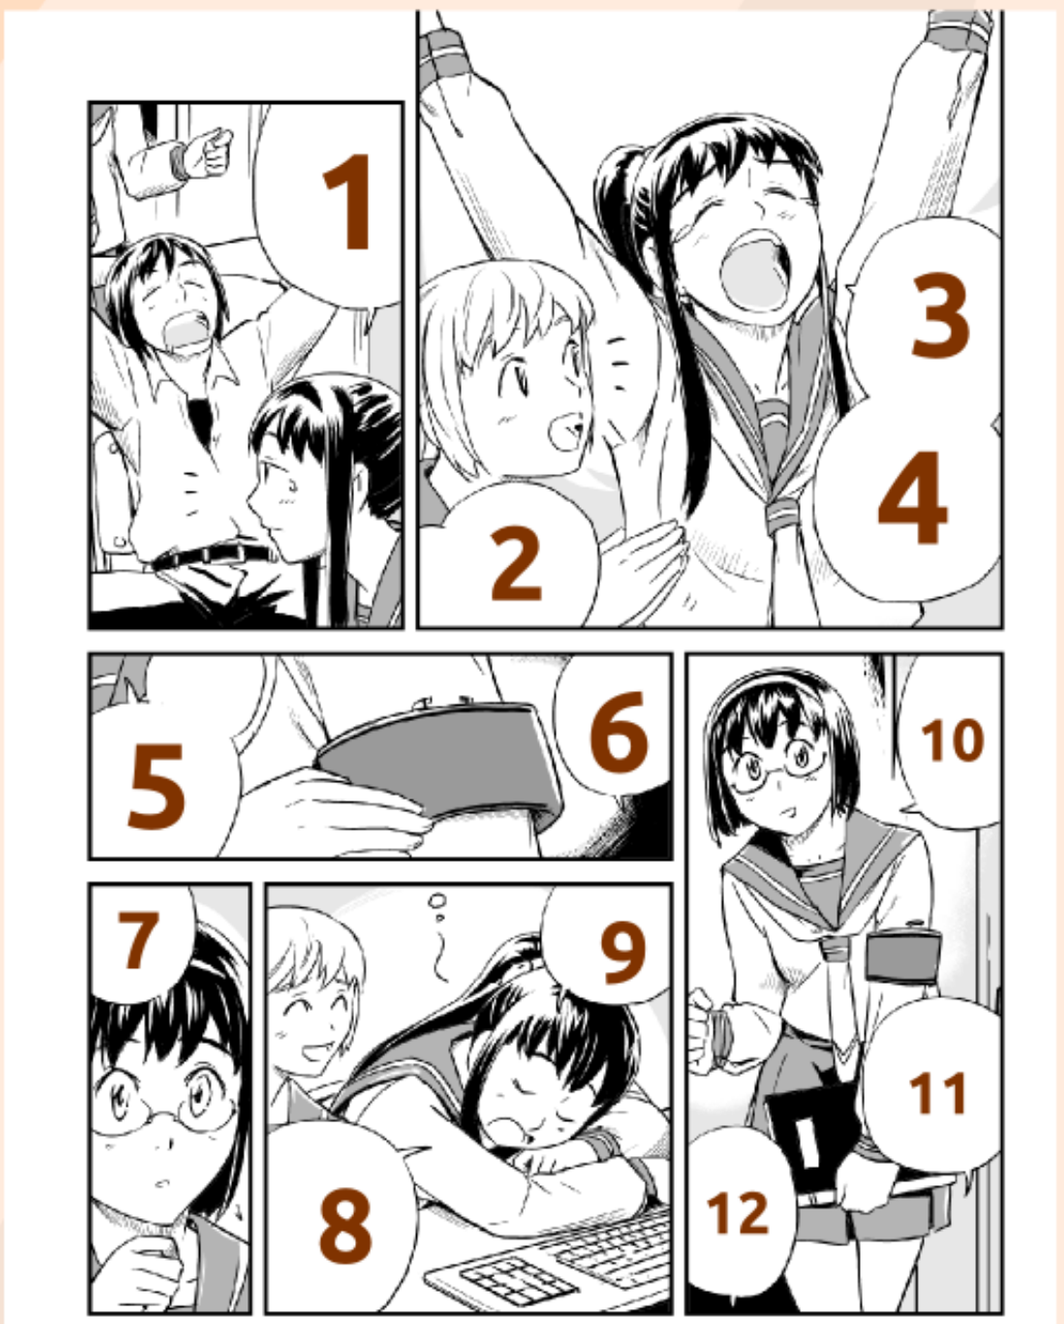
Setting up ubunchu-manga_7.2-0ltr2 for Ubuntu 10.04

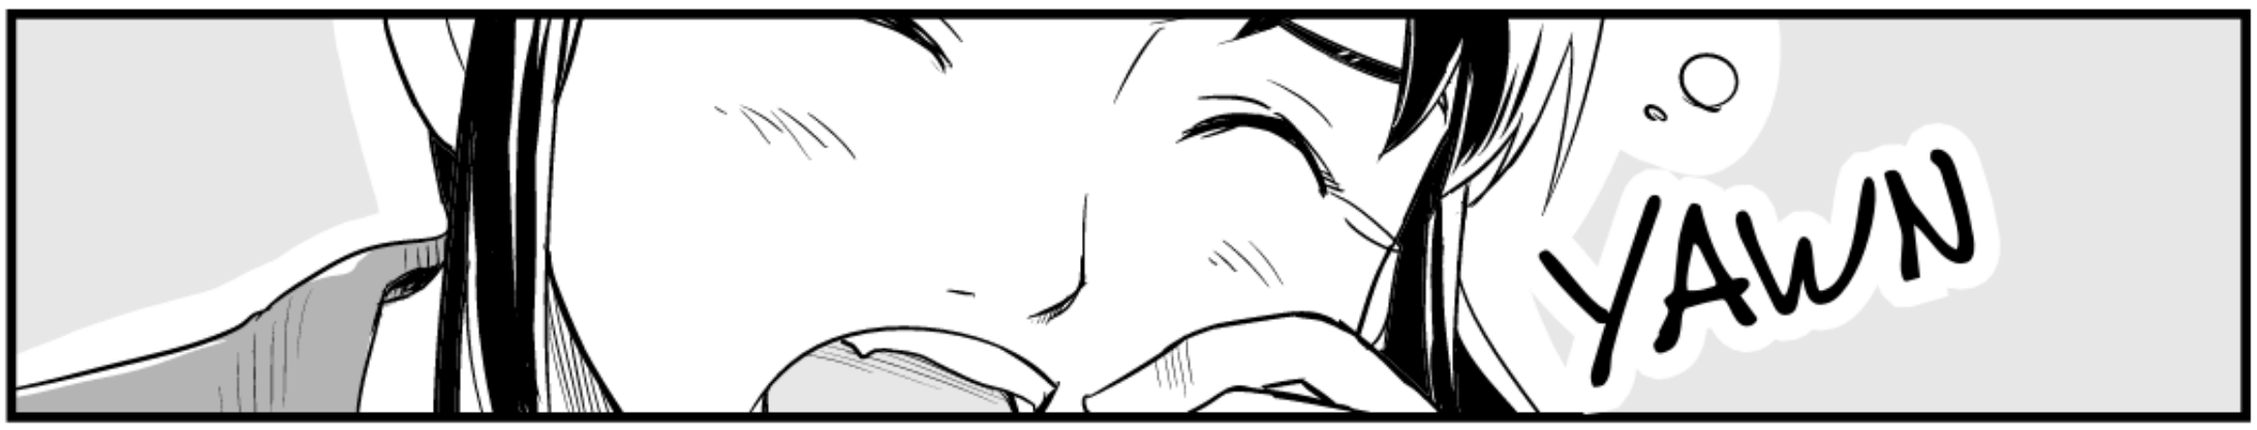
Upgrade!

This comic is presented in an edited Greek/Roman left-to-right format, in order to improve readability as much as possible. The orientation of the artwork has changed and readers accustomed to "manga-style" right-to-left are encour-aged to download that edition of this comic.

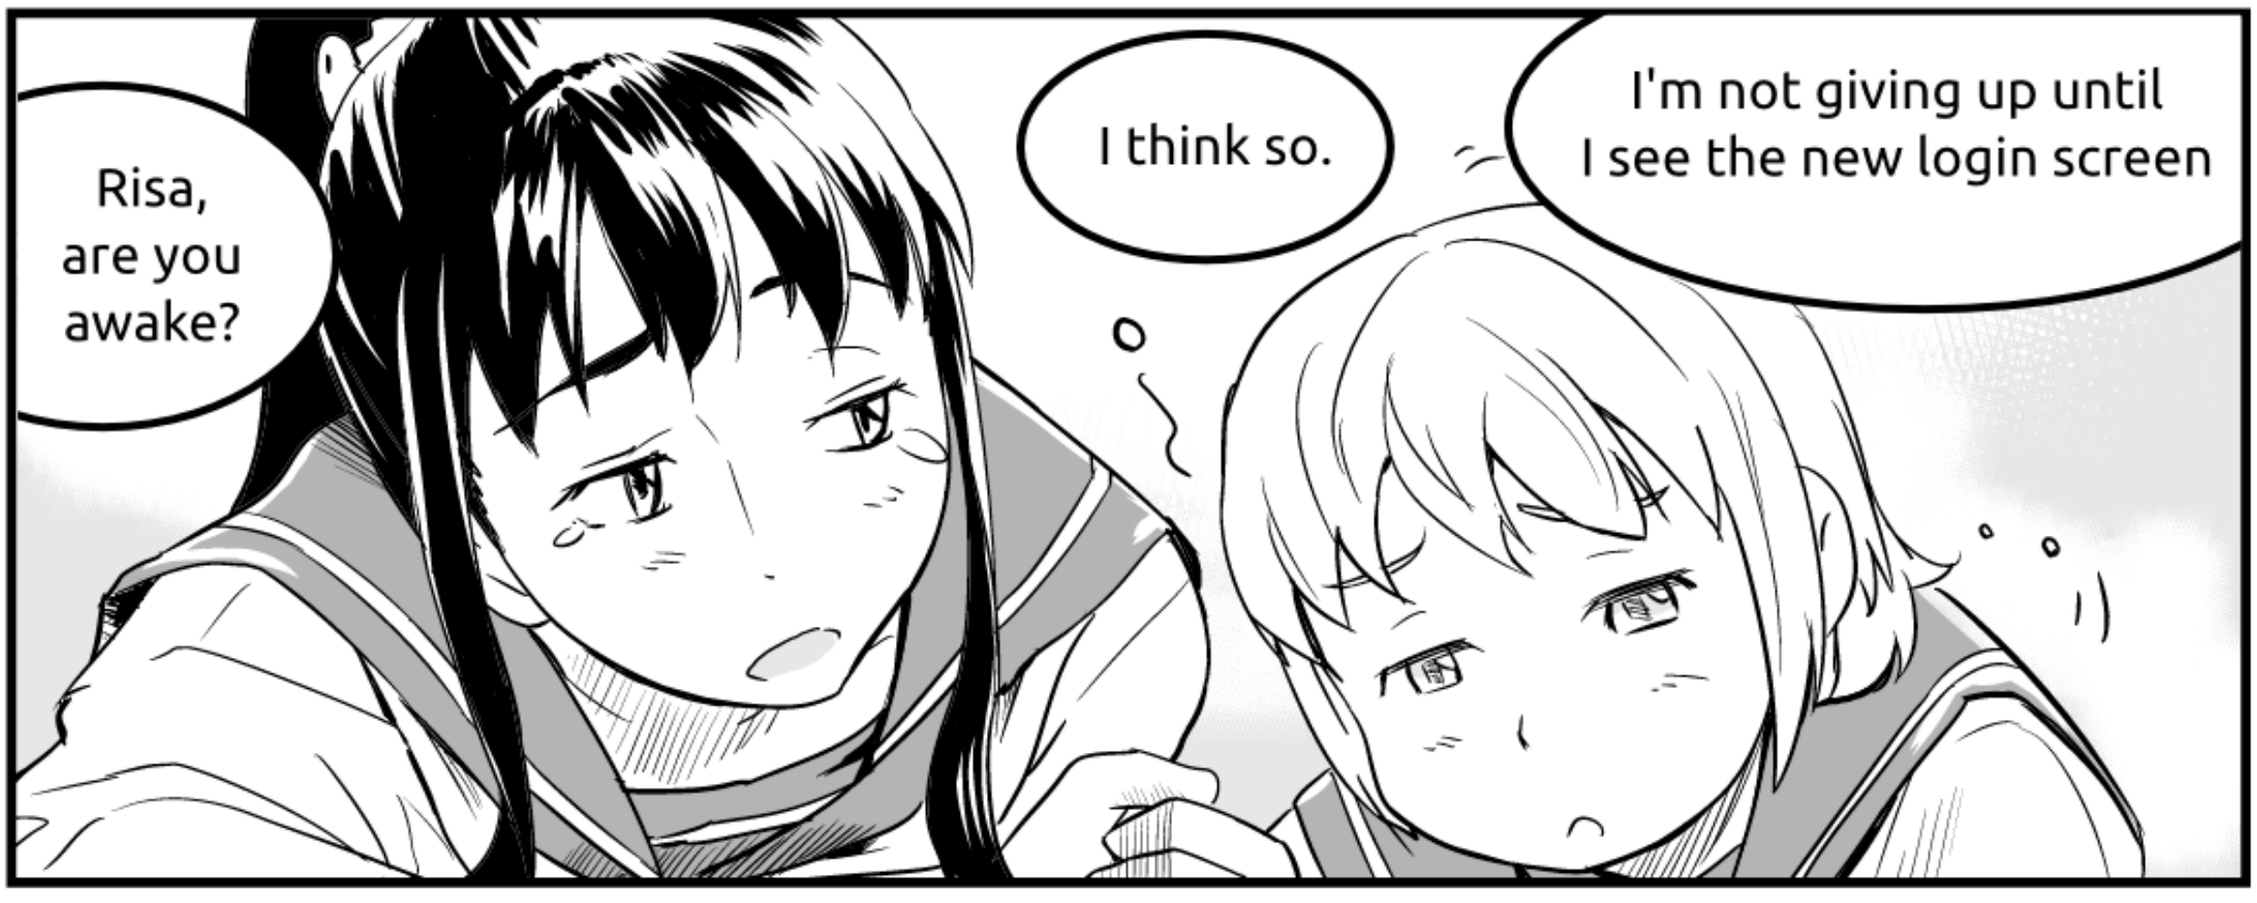
If you prefer readability or simply don't wish to spend time working out something new, please continue. Use the guide on the right to see an example of the reading order that you will be accustomed to if you are from a country that writes in this fashion:



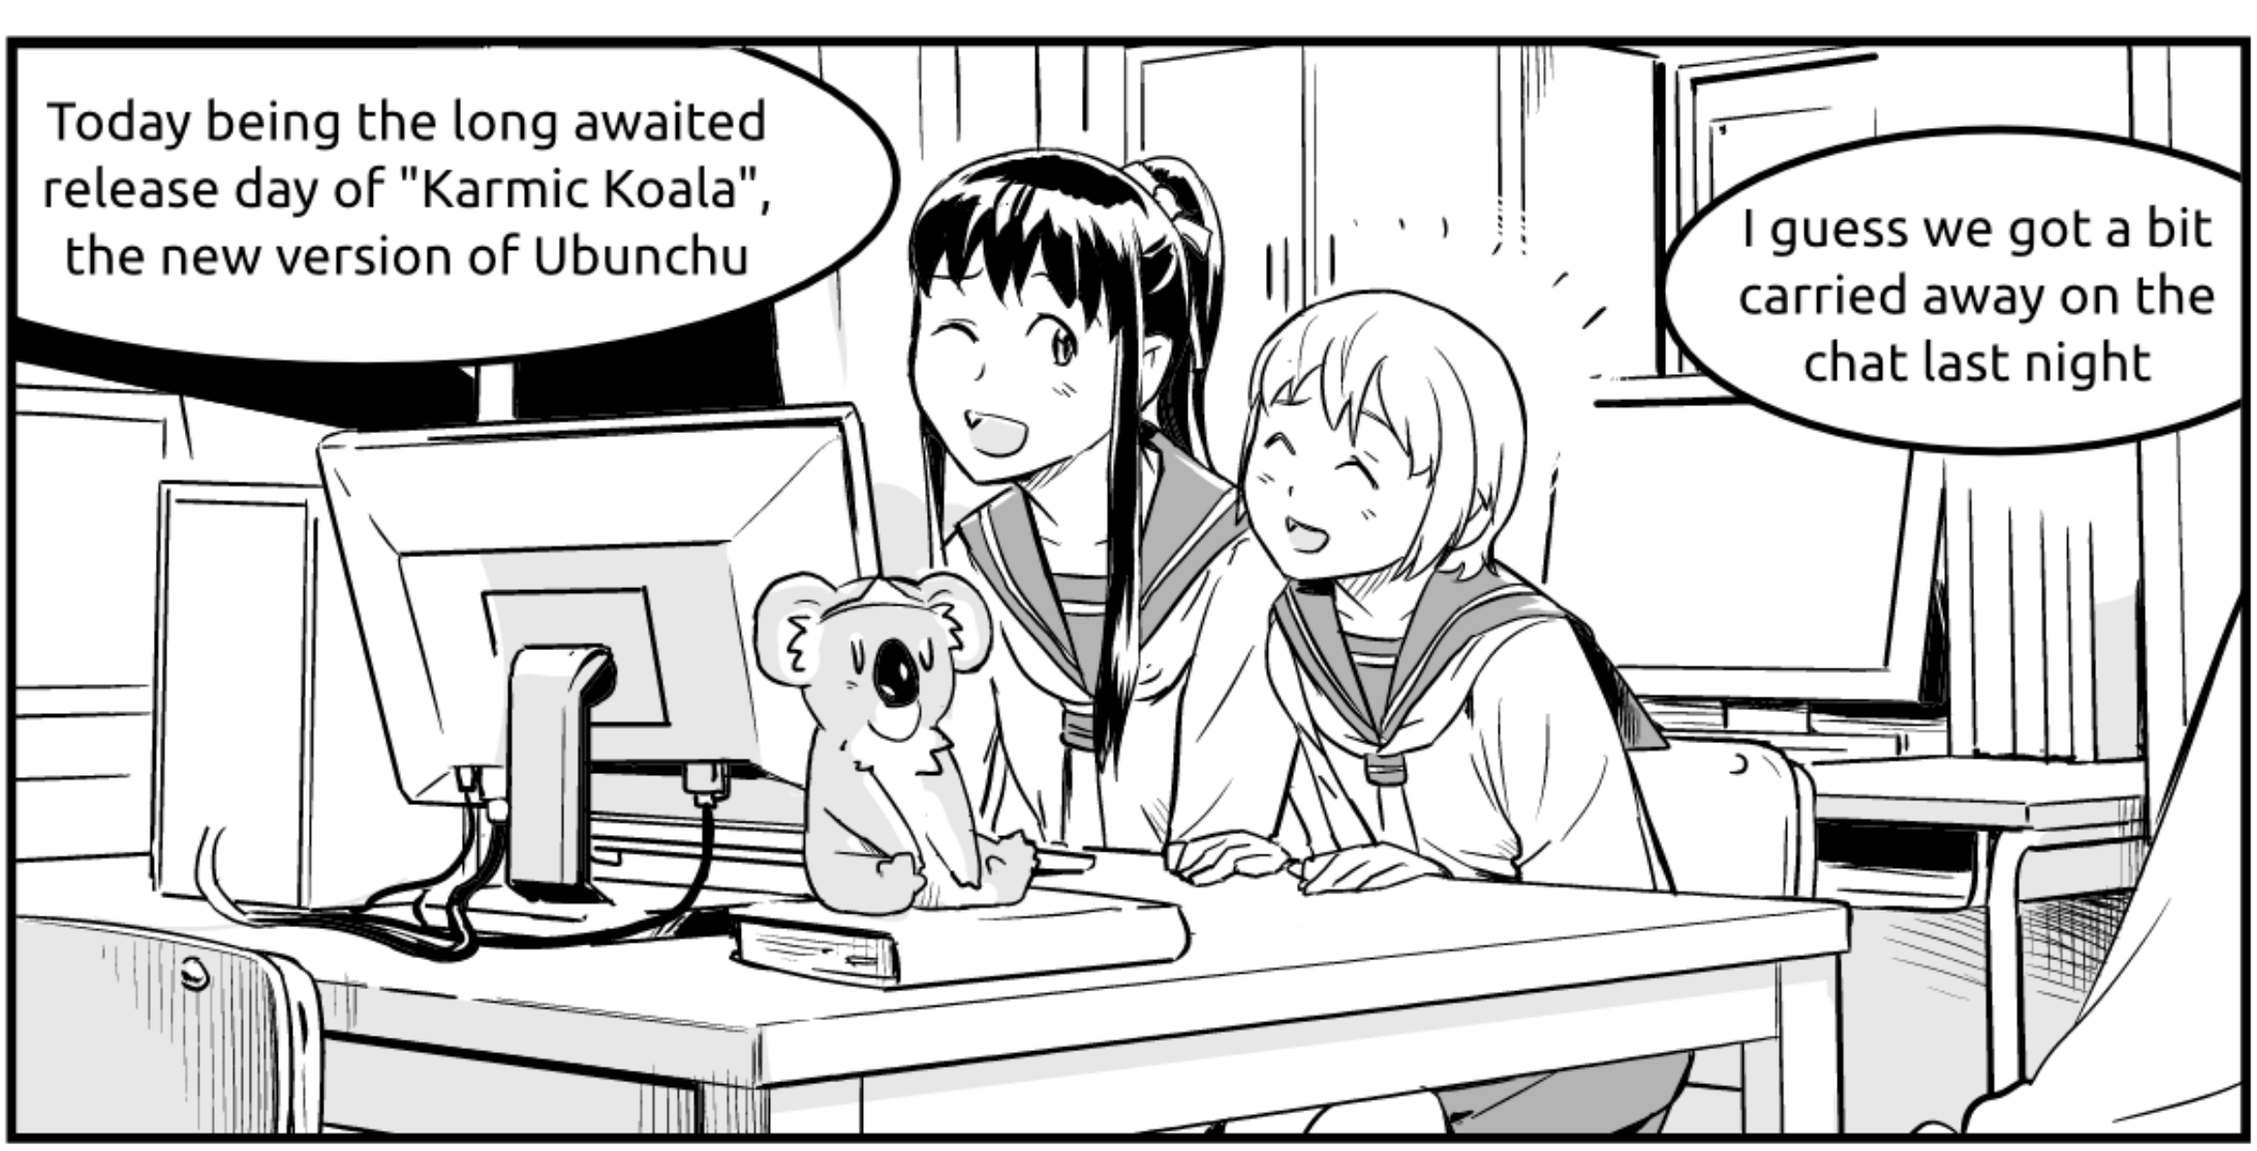
Narwhal Originally drawn by~Corvocollorosso, heavily modified by Martin Owens



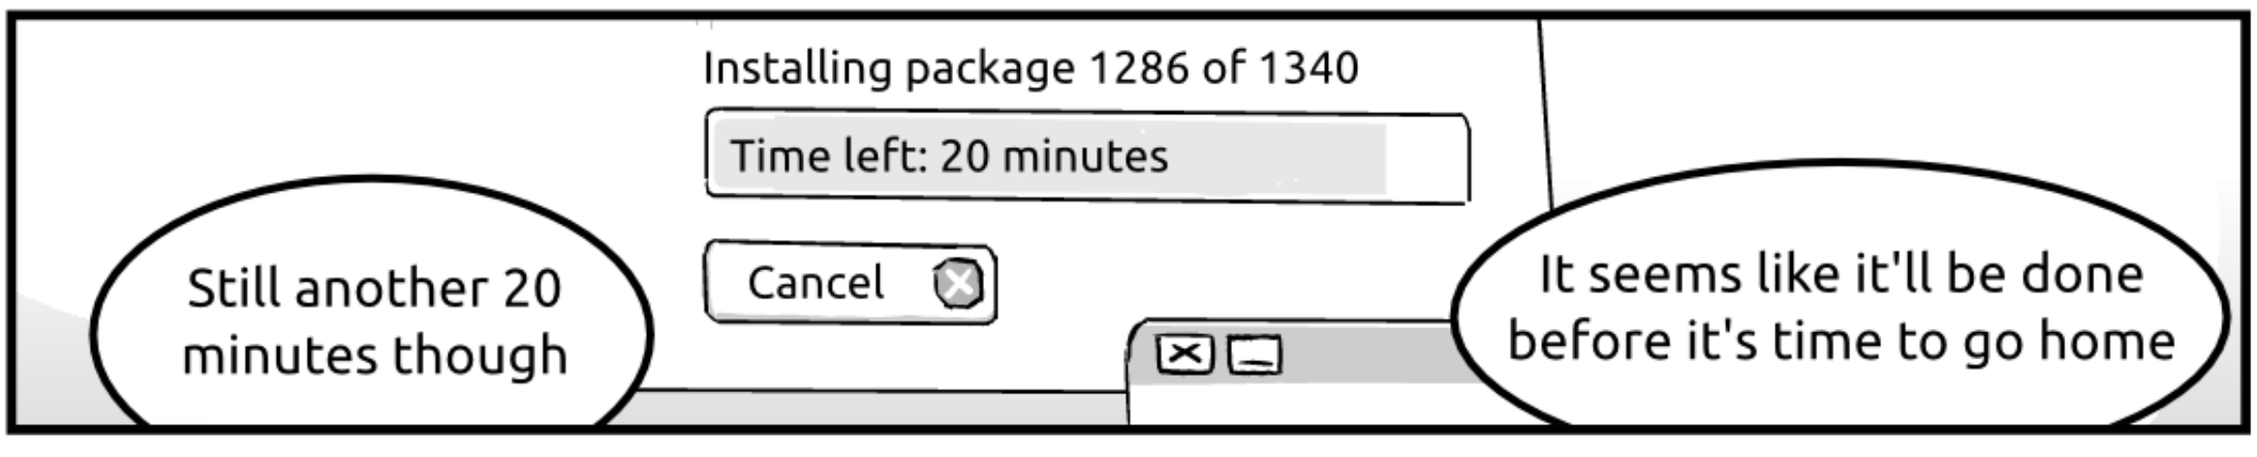
YAWN



Risa, are you awake?
I think so.
I'm not giving up until I see the new login screen



Today being the long awaited release day of "Karmic Koala", the new version of Ubunchu
I guess we got a bit carried away on the chat last night



Installing package 1286 of 1340
Time left: 20 minutes
Cancel
Still another 20 minutes though
It seems like it'll be done before it's time to go home

YAWN!

It probably isn't even that great a login screen,

but I'd still like to see it with my own eyes

What a yawn!

YAWN

Doesn't beat Mr. Blue Whale over there.

Hello?

IT-Rep

Yes. Miss Shinozaki asked me to come get you

Akiha did?

Ah, Kaname, 'sup?

Hello!

Well, as you can see, we have our hands full at the moment.

That's too bad

If you didn't come,

Akiha said to tell you that she'll be taking your promised "Wizard" away from you...

IT Student Council

SWISH

You can't have him

He's my betrothed

Are you sleepwalking?

Don't try to filch this, OK? It's computer science club property, remember!

Structure of Computer Programs

Yes! The Wizard Book!

Seriously... Baiting you with this sort of thing is just too easy!

Girls have such a weak spot for magic.

Girl talk is all very well, but student council business takes precedence

No!

Deliver this

On the Advantages of Early Windows 7 Adoption

- Student IT council

Da-Da-Dah!

to your club's supervising teacher

Eh?!

We're pretty busy with the Windows 7 migration

We'll have you help out by obtaining a Windows 7 teaching certificate too

gloom

sniff

I'm also busy with an OS migration, you know. Albeit a different one.

Alright!

I just want to sleep...

... and I'm selling my soul to this demon!

sob!

Forgive me, lord RMS!

DEMON?

Why are you in such a rush?

Huh?

The Koala's coming in ten minutes!

Ow!

Sorry!

Geez!

Why am I running about spreading Windows on such a fine Koala day?

Teachers' Lounge

SWISH

Miss Ritsuko!

Yes?

TWACK!

Please make sure to read BOTH of those reports!

Huh...

edubuntu

Linux for the educational institution

- SysAdmin Club

What in the world...

That was close!

Huf-Huf

Did I...

Ugh!

Timer

Cancel

...make it?

Risa!

PA-T

Uhuh...

Look!
the login screen!

SYS-KAN

Akane

Risa

Misato

other...

Ko...

peeK

...ala?

Knock-Knock

Akane!

Didn't you want this?

What's with the "the koala is coming" thing?

You realize you aren't koalas, right?

Eucalyptus everywhere... *munch munch*

The End
